Hands Around the Mosque

Love is the only force capable of uniting a divided nation

We Muslims, Arabs and South Asians are honored and grateful to our fellow Americans from diverse communities and faiths for standing with us in this climate of hate and division. Let us send a profound and sacred message of our unity to the world as we reaffirm our commitment to stand by and support each other.

Please join us for an interfaith/inter-community gathering and move "**From fear to friendship**"

When: Sunday February 28th

Time: 4:00 to 6:30

Where: Islamic Society of East Bay 33330 Peace Terrace, Fremont, CA

Dinner will be served after sunset prayer. (The event may be outside dress warmly)
